

## CKDA Flower Pre-Order 2022

This year we are offering our CKDA parents, friends, and families the opportunity to pre-order flowers for their dancers. Flowers may be pre-ordered, so you will not have to wait in line on performance nights. You may choose to have the flowers delivered to your dancer in the dressing room or you may choose to pick the flowers up at the CKDA Raffle Basket table on performance night and present them yourself after the show. All the flowers available through this pre-order have been beautifully created by the florists at Schild's IGA. In addition, Schild's IGA has generously offered to donate a portion of all flower sales to the CKDA Scholarship Fund.

### Deadline for Pre-orders is Thursday May 12, 2022

Please place your order and payment in a sealed envelope marked with your dancer's name and class. Have dancers give their forms to the class teacher. Forms will be collected daily and extra forms will be available at the studio.
