ADVENTURES OF
ALICE
IN WONDERLAND

Program Advertising & Dancer Dedications ("Well-Wishes")

CKDA invites families, friends, and local small businesses to be part of the keepsake program for this year's performance, **Adventures of Alice in Wonderland**. Shared across three performances, the program becomes a lasting memento for dancers and audience members alike.

Program advertising offers small businesses a simple way to gain local visibility, while dancer dedications provide a meaningful way to honor and encourage your performer. The "well wishes" page is a special way to celebrate our dancer's hard work and our big performance.

Please select your preferred option below and return this form with payment to the studio by May 21, 2026 to ensure inclusion. For any questions or to submit artwork or logo, please contact Kelley at *kelleyrduncan@gmail.com*. Thank you for supporting our dancers and the arts community!
